

COMMANDER'S DRUG AND ALCOHOL ABUSE POLICY

Abuse of legal drugs, as well as use of illegal drugs, is unacceptable in this wing and will result in separation and discharge.

Alcohol abuse and alcoholism are treatable illnesses, and early rehabilitation and treatment are strongly encouraged.

Driving under the influence of alcohol is both against the law and foolish. Appropriate action will be taken against any wing member apprehended for DUI, while in military status.

**F.C.WILLIAMS, Col, USAFR
Commander**
